

FOURTH ANNOUNCEMENT

**The 7th International Conference
"SOLITONS, COLLAPSES AND TURBULENCE:
Achievements, Developments and Perspectives"
Chernogolovka, Moscow region, RUSSIA
August 4-8, 2014**

L.D. Landau Institute for Theoretical Physics of the Russian Academy of Sciences, P.N. Lebedev Physical Institute of the Russian Academy of Sciences, and Novosibirsk State University are convening the 7th International Conference "SOLITONS, COLLAPSES AND TURBULENCE: Achievements, Developments and Perspectives" (SCT-14) on the occasion of Vladimir Zakharov's 75th birthday. The conference will be held in Chernogolovka (40 km north east from Moscow) in the building of the Scientist House of Scientific Center of RAS in Chernogolovka and partially in the building of the Landau Institute for Theoretical Physics there from August 4 to August 8, 2014.

<u>Final registration is extended up to</u>	<u>18 April 2014</u>
One page abstract deadline	1 May 2014
Author notification of paper selection	15 June 2014
Hotel reservation	15 June 2014
Author notification of scientific and other programs	31 June 2014

Persons interested in participating are welcome to visit the Conference web-cite:
