

CURRICULUM VITAE

Leonid Vitalyevich Bogdanov, senior researcher of L. D. Landau Institute for Theoretical Physics of the Russian Academy of Sciences.

Address: L.D. Landau Institute for Theoretical Physics, Akademika Semenova str. 1a, 142432 Chernogolovka, Moscow region, Russia.

E-mail: leonid@itp.ac.ru

Fax: + 7 495 938 20 77

Telephone: +7 495 938 17 82 (office)

Personal data

Russian citizen. Born in Demyansk, Novgorod region, Russia on the 12th of November, 1960. Married. Wife Oksana Semyonovna Rudenko, born December 13, 1962, Moscow. Two children.

Education

1975-1977 Physical-Mathematical Boarding school No 45 attached to the Leningrad State University.

1977-1983 Moscow Physical-Technical Institute, Department of General and Applied Physics. Graduated with honours.

1988 Ph.D. degree from Landau Institute for Theoretical Physics (theoretical and mathematical physics). The title of the thesis "The nonlocal $\bar{\partial}$ problem and (2+1)-dimensional soliton equations."

2003 Doctor of Science degree. The title of the thesis "The $\bar{\partial}$ -dressing method and integrable hierarchies".

Career

1983-1986 Post-graduate of the Landau Institute for Theoretical Physics, thesis advisor Dr. S.V. Manakov.

1987-1991 Researcher, Institute of High Temperatures, Academy of Sciences, Moscow.

1991-1997 Researcher of the Center for Nonlinear Research attached to L. D. Landau Institute for Theoretical Physics of the Russian Academy of Sciences (International Institute of Nonlinear Sciences, the Russian branch), Moscow.

1997-2003 Researcher of L. D. Landau Institute for Theoretical Physics of the Russian Academy of Sciences, Moscow.

Since 2003 Senior researcher of L. D. Landau Institute for Theoretical Physics of the Russian Academy of Sciences, Moscow.

Publications

Monograph

Bogdanov, L. V. Analytic-bilinear approach to integrable hierarchies. Mathematics and its Applications, 493. Kluwer Academic Publishers, Dordrecht, 1999.
xii+264 pp. ISBN: 0-7923-5919-4
